#### WINTRY CONDITIONS AT MARLBORO.

#### JUVENILE WINNERS OF THE PRESENT YEAR

I. H. Wheatcroft's Cesarion, now on his way to Australia, where he is to be sold within a few months, seems destined to again this year achieve the distinction of having sired more two-year-old winners than any other stallion in America. It will be a case of history repeating itself, for Cesarion gained similar distinction in 1910. Up to the first of the present month thirteen of the get of Cesarion had scored in the two-year-old races of the season, as against eleven to the credit of John E. Madden's Yankee, his nearest rival for the honor of leadership in this respect. The progeny of Cesarion not only lead numerically, but in the item of money won. Knight of the Thistie, with only the redoubtable Worth to represent him, is a close second in the latter particular. The following tabulation embraces all the two-year-old winners of the year to and including the racing of October 31, arranged under their respective sires:

WINTRY CONDITIONS AT MARLBORO.	SIRES WITH SIX WINNERS.
Washington, D. C., November 13.—It was winter racing in earnest at the Marlboro track this afternoon, as there was a big drop in the temperature last night, Yet a large crowd braved the cold weather to witness the running of the seven races that made up the card today. This was the first day of the extension and from now on until the end of the week the meeting will be held under the auspices of the Marlboro Horse Show Association. The track was again heavy, owing to rain that fell	Horse and Dam.

#### SAGER AGAIN IN GOOD FORM

SON OF BANNOCKBURN AND MISS MARION CONTINUES TO WIN AT NORFOLK.

Horsemen and Race Patrons from Kentucky Help to Swell Attendance at Eastern Track-Well-Racked Horses Figure Importantly in Day's Results.

Norfolk, Va., November 13.—The arrival of a delegation of horsemen and race-goers from Latonia and Mariboro helped to enliven things at Jamestown this afternoon and a large crowd was in attendance to witness the running of the program. Speculation was keen and the fifteen layers found business brisk. A surprise awaited race-goers on their arrival at the course, After heavy rains that fell last night they looked for a muddy track. The high winds worked wonders, however, and the footing was in excellent condition, although there were spots where it was a bit heavy. Those who based their calculations on mud were forced to revise their figures. Well-backed horses won every race and three of the winners were favorites. In four of the finishes less than a length separated the first two horses, Thrifty, Michael Angelo and Sager winning by half a length, while Busy's margin over Bob R, was a short neck. Busy showed a good turn of speed in his race, leading all the way and running the mile in 1:404, which marked a really good performance. Jockey Peak made the same mistake with Bob R, that he did a few days ago. He made his effort too soon and, after appearing to have Busy beaten at the furlong post, his mount thred in the final stridgs.

William Cabill, who is handling Sager for Barney Schreiber, appears to have again rounded the Bannockburn colt into good condition. In today's race he came from behind and, finishing with a great burst of speed, caught and passed Lochlel in the last few strides. The latter quit badly when caught, after showing brilliant speed in the early stages.

he came from behind and, finishing with a great burst of speed, caught and passed Lochlel in the last few strides. The latter quit badly when caught, after showing brilliant speed in the early stages.

Black Chief had a strenuous trip in the fifth race, which he won by a length from Lady Sybil. He was forced to stall off a menacing challenge from King Avondale after racing Richard Reed off his feet and in the homestretch Lady Sybil made a bold effort, but was not quite able to get up.

In the closing dash Lad of Langden had a rough journey, Going to the first turn he was sharply cut off by My Gal and Nolan was forced to take him up. The ground that he lost by the interference was in a measure responsible for his defeat, as he closed strongly in the homestretch. At that it is doubtful if he could have beaten the winner.

Among today's arrivals were jockey Fain, J. P. Cordray, Tim Donohue, George Hill, Al S. Valentine and James Rowe. The latter came from New York with T. J. Healey. He acted as one of the stewards during the running of the steeplechase. Mr. Rowe says that James R. Keene, who recently returned to America after an extended trip abroad, looks to be in better health than he has been in fifteen years. Regarding the Whitney yearlings which he broke this summer, Mr. Rowe reports that thirty of the number have been shipped to A. J. Joyner in England. There are still fifty-seven left at Brook-dale Farm and these will be raced in this country next season. They will probably be divided among two or three trainers and Mr. Rowe himself may train some of them.

Starter A. B. Dade today received a telegram from H. D. Brown, who is at Jacksonville, to the effect that the runnors that the Havana meeting would not materalize this winter were erroneous. There was a report in circulation here today to the effect that the runnors that the Havana meeting would not materalize this winter were erroneous. J. W. Hedrick has turned his horses over to Nat Byers. The string includes My Gal, Baby Wolf, Mad River and Miss Jonah. Thomas Hatfield, who formerly handled them, will go to South Carolina to take up some of his own horses.

JUAREZ SPECIAL DEPARTS FROM LATONIA.

Plans for Kentucky Shipments to Cuba Are Changed -More Horses from West for Norfolk.

—More Horses from West for Norfolk.

Cincinnati, O., November 13.—The large number of horses that have been racing at the Latonia track got away today. The Elrod special, bound for Juarez, was away on schedule time. It consisted of nine cars of horses, two sleepers, one diner, one onggage car and one day coach. Some owners who had been booked to go backed out at the last moment and decided to winter their horses at Churchill Downs or Douglas Park, with the possibility of racing later on at Charleston.

On the Elrod special W. H. Fizer shipped tweever horses: William St. Vincent, six; Matt Phillips, four; C. P. Lamar, three; Henderson & Hogan, twelve; Henry McDaniel, twenty-four; H. H. Selby, seven; Grover Baker, four; J. T. Ireland, ten; George M. Odom, ten; Steve Judge, five; T. H. Henry, three, and J. C. Rous, Jr., three. The special is expected to reach Memphis at eight o'clock tomorrow morning. Texarkann at eight o'clock in the evening, and El Paso at noon Thursday.

The special to be run to Norfolk to take horses bound for Cuba has been abandoned. Many of the owners here did not relish the idea of laying idle at Norfolk until December 28, preferring to spend the leisure time in Kentucky. On December 1 a special will leave here in charge of W. W. Lyles, bound for New Orleans, and will pick up several cars at Lexington and Louisville. The horses of T. C. McDowell, Wayne Joplin, J. W. May and others will be in this shipment. Word was received from H. D. Brown this morning that the boats chartered for the Havana trip will leave Latonia tomorrow morning. George Ham will ship ten, Wayne Lewis 14, and P. J. Miles 14.

#### PROMISES GOOD NEWS FOR HORSEMEN.

Cincinnati, O., November 13.—Charles Lansdale, of Cincinnati, who is interested with H. D. Brown in the Laurel and Havana race tracks, said yesterday that he did not know if Mr. Brown intends to invade the local field as reported. "Mr. Brown has said nothing to me regarding building a track in this vicinity and I hardly believe that he contemplates so doing. However, there is no reason why he should inform me about the matter, and it is possible that he intends to do so. I can say, however, that Mr. Brown has some plans about which I cannot speak at present, that will be welcome news to horsemen when they are made public,"

#### THIRTY LEADING AMERICAN JOCKEYS.

J. McIntyre has displaced Sweeney in the list of thirty leading American jockeys as a result of last week's racing. T. Koerner slightly improved his position at the head of the list and has an advantage that doubtless will give him the year's honor. The record of the thirty leaders, from January 1 to and including the racing of Saturday last, is as follows: Mts. 1st. 2d. 3d. Unp. P.C.L.W.

#### GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., November 13.—Henry McDaniel sent from here yesterday to join the Latonia shipment to Juarez the four-year-old bay coit, Setback, and eleven yearlings that his nephew, "Tiny" Scofield, broke for him at the Kentucky Association track. The best-looking of these yearlings is a chestnut

colt by Marta Santa—Arthesia. He was bred and is owned by George C. Bennett, of Memphis, and is a really good racing prospect. There is a chest-nut colt by Golden Garter—Fair Empress that Mr. McDaniel bought out of the consignment of F. D. Knight to the Kentucky Sales Company's auction last September for \$50 and he looks to be the making of a good one. Others in the string are: Chestnut colt by Fatherless—Niola, by Eolus; chest-nut filly, by Box—Dinah Shad; chestnut colt, by Stalwart—Two Heart, by Likely; chestnut colt, by Stalwart—Two Heart, by Likely; chestnut colt, by Cesarion—Marshetta, by Falsetto; bay filly, by Cesarion—Grace Commoner, by The Commoner; chest-nut filly, by Russell—Option, by Glengarry; bay colt, by Stalwart—Tea Gown, by Free Knight, and chestnut colt by Star Shoot—Real Lace. Amon, Delaney, Amne McGee, Lady Nute and Woolwinder, comprising the remainder of the McDaniel string, will be shipped direct from Latonia to Juarez.

Robert L. Thomas is now making his home in this city and goes every morning to his lumber business at Winchester and Ford by train, returning each afternoon. His horses are now at the Kentucky Association track in charge of J. Tandy Hughes. He has not decided whether or not they will be raced this winter.

Max A. Silvers, whose business is buying thoroughbreds for export to South American countries, has advised a local friend that he sailed from Valparaiso, Chili, last Wednesday for Lexington to buy thoroughbreds for export to South American countries, has advised a local friend that he sailed from Valparaiso, Chili, last Wednesday for Lexington to buy thoroughbreds for export to South American countries, has advised a local friend that he sailed from Valparaiso, Chili, last Wednesday for Lexington to buy thoroughbred bearings and broodmares.

Jockey A. Thomas has written to a friend in this city that he is doing well in Russia, whither he went in September. At the time of the writing he had been in the country about a fortnight and had ridden eleven winners.

#### KOHLER SHIPMENT TO ENGLAND DEFERRED.

New York, November 13.—Charles Kohler's stable of horses, recently purchased from Samuel C. Hildreth, were not shipped to England Saturday on the Atlantic transport liner Minnehaha, as was arranged on the day of the sale. Mr. Hildreth, who will train the string abroad, arrived in Liverpool on Tuesday last and cabled orders to have the horses kept at Sheepshead Bay for a couple of weeks. The shipment will probably be made on the steamer Minneapolis, sailing December 2.

Trainer David J. Leary, who is handling the horses for the absence of Mr. Hildreth, is giving Fitz Herbert, Novelty, Zeus, Restigouche, Hampton Court, Shannon, Paggins, Gold Blade and Dinna Ken mild galloping exercise. The entire outfit is in excellent condition at present, and, barring accidents on the ocean voyage, will go into winter quarters in splendid health.

Cliff Creek, a two-year-old chestnut colt by Clifford—Cayudutta, bred at General Sanford's Hurricana Stud at Amsterdam, N. Y., and Chickasaw, a four-year-old brown colt by Pontiac—Cloth, are in the Hildreth barn and will accompany the rest of the horses abroad. Cliff Creek is destined for racing in England, while Chickasaw will be sent along with Dinna Ken to be trained for steeplechasing in France. Fred Burlew, the American horse-man, will handle this pair. Chickasaw has plenty of size and is of the right type for racing cross-country.

In addition to the above named horses, four year-lings will leave this country in December and will carry the colors of Mr. Kohler on the British courses next year. Three of the number are coits and the other a filly. The colts are by Voter, Broomstlet and Fillgrane, while the filly is a daughter of The Scribe, a horse recently sold by John E. Madden to Andrew Robertson of Australia. The youngsters have just arrived at Sheepshead Bay from the Ramapo Stock Farm in New Jersey.

#### COMMENT ON LATONIA MEETING.

Racing has passed on from Cincinnati and vicinity for the present year. The meeting just closed at Latonia was a good one. Of that there is no doubt. It brought good horses here and some good racing resulted. The poor track on nearly a majority of the days caused some poor racing, but that was not the fault of the management or the handicanner. That the management attempted to provide a high-class race meeting here was evident at all times. General Manager Hackmeister was liberal with his purses and displayed good judgment by not taking advantage of the \$400 limit permitted after the commission saw the light, but instead gave away \$2,600 and \$2,700 each day. The cut enabled the track to break about even on the meeting, other-wise it would have gone into a hole. It takes quite an outlay of money to give a twenty-four-days' race meeting, especially when you have a pay-roll of from \$1,100 to \$1,200 daily, and if a bad break in the weather is encountered it is evident where the money goes, or, rather, that the money does not come in. This meeting, as stated above, has beea a good one. There have been some form reversals, and it might have done a lot of good had the indges called certain horsemen at the track, but it is the has the goods on some one and then show no leniency. Some racing officials are in the habit of making a loud noise when they think they see something wrong, but do little in the way of disciplining, Judge Price's way is undoubtedly best, although some horsemen who are always on the edge between right and wrong would be a little more careful if they were called a few times. The mutuels have eliminated practically all the nasty talk heard when the books were operating, and this has undoubtedly improved the sport.

While the track made no money, the owners are satisfied, for they believe they see a rift in the heavy clouds o'erhanging racing at the present time, and they are quite willing to wait, in the hope that it will come out all right in the end.—Cincinnati Enquirer.

#### AN INVALUABLE RACING PUBLICATION.

AN INVALUABLE RACING PUBLICATION.

The American Racing Manual for 1911, recently issued, is a better book than any of its predecessors, having been enriched by the addition of various new features, while at the same time all the old features are retained. Its new features include a thorough presentation of the interesting and timely subject of pari-mutuel calculations with examples, a complete tabulation of the winning two-year-olds of 1910, arranged under their respective sires; and a list of the officials and locations of the various racing organizations of the United States, Canada and Mexico. This publication, which is annually in great demand among those interested in the turf, is an excellent and low-priced book of 442 pages, holding information obtainable in no other publication. It is simply a mine of records. Among the old features retained are:

English Racing Records to Date.
Three Handleap Systems with Examples.
Records at All Distances of the Tracks of the United States and Canada.
